

**BBRS PROPOSAL 780CMR R5.2.9.1--5-04-17**

Amend 780 CMR, regulation R5.2.9.1 by adding an EXCEPTION to the bottom of the Regulation which reads:

EXCEPTION: See section R5.2.9.1.1 for complaints that may involve Home Improvement Contractor complaints

**DEFENSE**

HIC non-compliance often occurs concurrently with Construction Supervisor License non-compliance and this proposal allows the BBRS to simultaneously address both types of complaints (CSL and HIC)
